

Better Fertiliser Decisions For Cropping

Start Date: 9/10/2018 1:00 PM

End Date: 9/10/2018 2:00 PM

The Better Fertiliser Decisions for Cropping(BFDC) program wants to gather feedback from interested stakeholders to help inform its way forward in the future. To this end, NSW DPI is holding a one hour session at Fertilizer 2018. Please come along and give your feedback. There is no charge to attend this meeting. Please register for the meeting using the register now tab.
