

Fertiliser 2017

Start Date: 13/9/2017 9:00 AM

End Date: 15/9/2017 5:00 PM

Full pricing, including member discounts is available on the Registration Tab below.

This joint national conference between the Australian Fertiliser Service Association (AFSA) Victorian branch and Fertilizer Australia will provide high quality presentations, time for meeting and networking and time for fun and fellowship.

The conference program will provide summaries of:

- Fertiliser market and economic outlooks
- Fertiliser and application technology
- Making sense of the science behind weather and seasonal forecasts
- Business & succession planning
- Soil & Plant Technology

Come and join around 150 Delegates which will include CEO's, Senior Managers and leading technical and logistics staff as well as owners and operators of fertiliser spreading and services businesses and agronomists who provide plant nutrition advice to farmers for this major event for the fertiliser industry in 2017.
